

The diagram illustrates the structure of the 'avanox' package. It is represented by a large light blue rectangle with a dashed border. Inside this rectangle, the word 'avanox' is centered at the top. Below it, a solid black border encloses a sub-container. Within this sub-container, there are two smaller blue rectangles with black borders, labeled 'shapes' and 'graphicLibrary', positioned on the left. To the right of these two rectangles, the text 'chainOfResponsability' is displayed.
