```

The diagram illustrates a dependency relationship. At the bottom, a white rectangular box with a black border contains the text 'client/src/test.cpp'. A blue arrow points vertically upwards from the top center of this box to the bottom center of a larger, gray rectangular box with a black border above it. The gray box contains the text 'client/src/shape/draw' on the first line and '/java/VisitorDrawShapeAWT.h' on the second line.
